Ed Simons
Radboud University, NL
President of euroCRIS
What is euroCRIS?

- An international not-for-profit association of experts and users of research information and research information systems (CRIS), with offices in The Hague, The Netherlands.

  - **Mission:** To advance Interoperability in the Research Community through CERIF.

- **Main activities:**
  - Development and governance of the CERIF data model and promotion of its use.
  - Promotion of cooperation between stakeholders (organisations) in the RI Domain. To fulfill this function, euroCRIS regularly organises international events: Membership Meetings (twice a year) and Conferences (every 2 years).

- **Task groups:** Architecture & Development, CERIF, CRIS-IR, Best Practice-DRIS, Indicators.

- **Recent events:**
  - Strategic Membership Meeting, Athens, Greece, 9-11 November 2016.
